

### REMARKS

Applicant thanks the Examiner for indicating claim 8 to be allowable upon filing a terminal disclaimer. Claim 8, the only claim now pending in this application, stands provisionally rejected on the ground of nonstatutory obviousness-type double patenting over claims 1-2 of copending Application No. 10/758,594. Applicant hereby submits a terminal disclaimer directed to copending Application No. 10/758,594. Since there are no other outstanding objections or rejections for the pending claim, applicant respectfully requests the Examiner to allow this application.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing Docket No. 371312001900.

Respectfully submitted,

Dated: May 21, 2008
